REGINA HIGH SCHOOL

Dear Parents,

We opened our second semester with 205 students, only twelve fewer than September, and three of those transfers were our German exchange students. The commitment of students, teachers and parents to see this year through together is a wonderful gift that the Regina community gives to each other. We can look forward to celebrating some new and many traditional activities that bring the Regina spirit alive.

More than half of our students report that they have applied to a school or college for next year. Making a decision now gives you the best chance of securing financial aid and the courses you want. If you would like assistance navigating the application process, Mrs. Lips and Ms. Niemczura will be happy to work with you. You may want to take advantage of the upcoming parent conference evening on Thursday, February 11.

Among the many activities that will make this semester special is this week's celebration of Catholic Schools' Week. The national theme for this year is "Dividends for Life." We know that investing in a young woman's education brings lasting benefits to her, to her family and to her community.

As we Celebrate Regina's Royal Legacy, we honor you who have invested in your daughters with such love and generosity.

Thank you for your commitment.

Sincerely,

*Sr Margaret Korman*
